To: [Hiring manager]
[Facility name]

I'm writing to express my keen interest in the Physician Assistant role in the Emergency Department at Bellevue. I am scheduled to complete my PA training at CUNY York College in December 2023 and anticipate being licensed and available for commencement in February 2024. With a strong educational background, recent clinical and procedure experience, strong communication and critical thinking skills, and profound dedication to patient care, I am confident in my ability to contribute significantly to your team.

As I progressed through my PA training, my aspiration to work in a dynamic field that challenges me to continually learn and adapt, while making a meaningful impact in people's lives during moments of crisis became clear. During my emergency room rotation at NYC Health and Hospitals/Metropolitan, I refined my ability to make rapid and precise clinical assessments under pressure and strengthened critical skills in wound care, laceration repairs, procedural local anesthesia, splinting/stenting, abscess drainage, catheter placement etc. within time constraints. I actively participated in primary assessments of injured patients, interpreted immediate imaging and lab work, formulated differential diagnoses based on condition severity, collaborated with multidisciplinary teams, and provided comprehensive education to patients and their families regarding the present illness. In addition to my emergency room experience, my diverse rotations familiarized me with managing chronic conditions like Asthma, CHF, and Diabetes, enhancing my ability to address exacerbations effectively.

I welcome the opportunity to further discuss with you my qualifications and career possibilities. My schedule is flexible, and I can meet with you at your convenience. Please feel free to contact me at 678-575-4438 or lilyjacobs1195@gmail.com. Thank you for your consideration and for reviewing my application. I look forward to speaking with you soon.

Best Regards,

Lily Jacobs, PA-S
